21. Filing Description [This area can be used in lieu of a cover letter or filing memorandum and is free-form text]

Delos Insurance Company has authorized ISO to file their commercial fidelity & crime rules and forms on our behalf. At this time we are filing to adopt the latest unmodified ISO approved loss costs which we will use in conjunction with our Loss Cost Multiplier (LCM) of 1.60 that we are also filing at this time. We are taking this approach because this is a new program to the company and we do not have sufficient data and loss experience to deviate or justify any other loss costs at this time.
